Engaging 8,353 community members who inquired about CFDI services & resources.

8,353

SUCCESS

healing

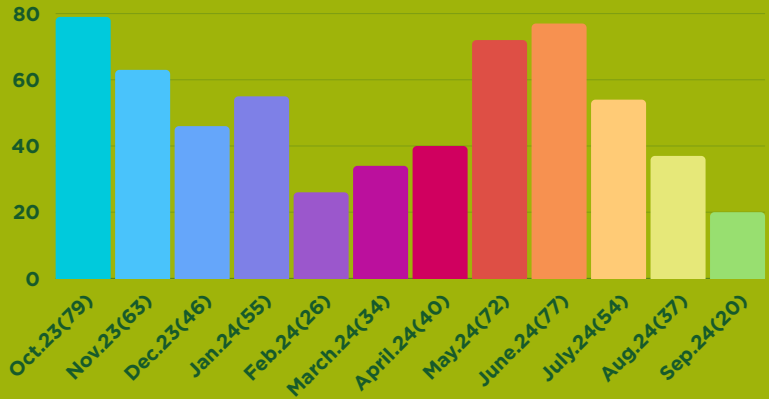

"Mr. Pettaway gave me the opportunity to find a person to help me cope with past trauma, vent, and communicate. He's a person that makes me feel comfortable & heard."

HOPE

RESIDENTS SERVED

In 2024, The HOPE Mobile team - comprising therapists, youth peer support, & parent support partners provided CFDI services to 603 Detroit residents.

THERAPUTIC & PEER INTERVENTIONS

Of the 603 community members served in 2024, there were 1,390 therapy & peer service interventions completed.

1,390

SUPPORT

OUTREACH • PARTNERSHIPS & COLLABORATIONS

Out of 148 events attended by CFDI's HOPE Mobile team, partnerships were formed and strengthened to provide comprehensive wellness support. These collaborations expanded access to mental health therapy for all ages, physical health screenings, and peer-led interventions promoting hope and healing. Below are key partnerships on Detroit's East and West sides that advanced our mission.
